Helping Grace Prosper Through Your Generosity**

Meeting Grace's Financial Needs

In order to be able to continue Grace Church's mission to the congregation and meet the church's financial obligations in 2019, we have proposed an operating budget of \$180,490. We have set a goal of \$140,000 in pledged donations from church members to support the budget. The remainder of revenue will come from plate and other donations and income (\$35,000) and the final year of a Diocese Grant (\$5,000).

To help support the church's operational and ministry needs through a pledge, please fill out the Pledge Card below and return it to Grace Church. You can drop it off at the office, place it in the collection plate during worship services, or mail it to us (1072 East 900 South, St George, UT 84790).

Grace Church is blessed to have your support of the church and our ministries. Thank you in advance for Helping Grace Prosper.
